# MORE FACTS ABOUT THE VFW

## About the VFW

We trace our roots back to 1899 when veterans of the Spanish-American War (1898) and the Philippine Insurrection (1899-1902) founded local organizations to secure rights and benefits for their service. Many arrived home wounded or sick. There was no medical care or veterans' pension for them, and they were left to care for themselves. In their misery, some of these veterans banded together and formed organizations that would eventually band together and become known as the Veterans of Foreign Wars of the United States.

**Our Mission:** To foster camaraderie among United States veterans of overseas conflicts. To serve our veterans, the military and our communities. To advocate on behalf of all veterans.
