

Good morning Comrades,

After **January 31, 2025**, you will need to sign in to your VA websites and apps with your DS Logon, Login.gov or ID.me.

The MyHealthVet userID and password will no longer be an option after January 31, 2025.

If you don't have a [Login.gov](#) or [ID.me](#) account, you can find out how to create an account here [Prepare For VA's Secure Sign-In Changes | Veterans Affairs](#)

You may also scan this QR code with your phone camera

If you have questions about this, please contact me.

Thank you,

**Gregg Orto**
