Between now and our 2025 State Convention, I will be conducting at least 3 Chaplain training sessions at various locations throughout the state. My hope is to select locations that will make it possible for all Post and District Chaplains to attend a session that is reasonably close to his/her home post. The primary audience for these sessions will be VFW Chaplains, but any Auxiliary Chaplains who may be interested will be welcome to attend. All sessions will be held on a Saturday and will be approximately 2 hours in length.

The first session will be at **Post 7968 in Apache Junction on 21 SEP from 10:00 AM to Noon.** As lunch will be provided, I will appreciate the courtesy of an RSVP to ensure that no one will leave hungry.

These sessions will not be District-specific. All Chaplains, Commanders, and Presidents will be welcome regardless of their home post or district

**Commanders:** If any Post Commander would like to host a session at your post, please let me know.

God Bless you all.
