

On June 28, 2024, The VFW Department of Arizona, Department Commander Jim McCormick and Derek Hulsebus Youth and Scouting Chair, (Both on left) and VFW Post 3513 Post Commander Randy Deines (Pictured below),

contributed \$1700.00 a piece to assist the Arizona diaper bank. In doing this we were able to bring the level of diapers being distributed to needy families from 16,000 to 32,000 a year for the state. This will hopefully have a major impact on those struggling to afford the needed items for their kids, so they are able to focus on making their life better. The funds used from Department were from the "Youth program funds." Due to your assistance with fundraising, we were able to make this happen. Thank you.
