

VFW Tempe Admin Office Outside Refurbishment

Hi! My name is Preston Kiley. I am a Boy Scout with Troop 17 in Ahwatukee, AZ. I'm working on my Eagle project, so I can take the final stride in my Boy Scout career by achieving the rank of Eagle Scout! When I was younger, I decided that I wanted to join the military, and that has become my goal ever since. Now I also want to help support our Veterans before I join the Armed Services. If you would like to donate to help me finish my project, please use the QR code to access my donation page. I would really appreciate your support.

My goal is to hopefully finish my project before Veterans Day of this year. Thank you again for your support!

Any leftover funds from any type of donations will be donated straight to the VFW.

Gofundme
